device view or guide, and channel view or guide, and are hereby incorporated
herein by reference in their entirety.

At Paragraph [47]

Please amend paragraph [47] of the specification as follows:

[47] Representations of the locally stored media at the second location 110 and
representations of the transparently transferred media may be presented in a
single constructed display such as the media guide, device guide and/or channel
guide. Additionally, representations of broadcast media may also be integrated
within the presented single constructed display, where it may coexist with locally
stored and transparently transferred media. Accordingly, the media guide, device
guide and/or channel guide at the second location 110 may contain

representations of the local media, transferred media and/or broadcast media. [[]]

The broadcast media may be distributed from a broadcast television station and/or from a cable provider, for example.
